Hoffman Estates seeks your input on Comprehensive Plan

The Village of Hoffman Estates is seeking your input on its draft Comprehensive Plan.

A Comprehensive Plan establishes long-range development policies and guidelines for the community. In short, the Comprehensive Plan serves as a roadmap for the future development of the Village. It includes the physical, economic, environmental, aesthetic and other elements that affect the community as a whole.

For example, a major initiative presented in the draft Comprehensive Plan is transit-oriented development (TOD) that could occur in conjunction with the expansion of the STAR (Suburban Transit Access Route) Line, a regional commuter rail service that would serve Hoffman Estates. This TOD would feature housing, retail, business and commercial uses that would center on the two proposed rail stations.

The Village is holding a hearing before the Plan Commission on the draft Comprehensive Plan on Wednesday, June 27, at 8 p.m. in the Village Hall Board Room. The Village Hall is located at 1900 Hassell Road in Hoffman Estates.

More information about the Comprehensive Plan can be found on the Village's Web site, www.hoffmanestates.org. You can also e-mail your comments to comp.plan@hoffmanestates.org.
