Hoffman Estates hosts Public Works open house

The Hoffman Estates Department of Public Works welcomes all residents to attend its 7th annual open house on Saturday, Nov. 3. The Public Works Center, located at 2305 Pembroke Ave., will be open to visitors from 9 a.m. to noon.

A special guest will be on hand this year to greet children and pass out information. Visitors can watch demonstrations of the Department's weather tracking system, and learn how snow removal routes are assigned and completed. You can also get a close-up view of snow removal equipment, including tandem axle trucks, end-loaders and our aerial lift truck. An arborist will be available to address tree concerns and demonstrate proper tree trimming techniques. Personnel will be available to answer questions regarding the Village's water and sewer system. School groups and scout groups as well as all other children, accompanied by an adult, are welcome. Complimentary refreshments will be provided.
