Hoffman Estates Press Release

New reduced speed limit on Higgins Road

The Hoffman Estates Police Department wants to inform the motoring public of a new reduced speed limit on Higgins Road (Illinois Route 72).

A traffic and engineering speed study was conducted by the Illinois Department of Transportation (IDOT) on Higgins Road from Kingsdale Road to the area just west of Manchester Lane/Volid Drive. The results of the study indicate that the 50 mph speed limit should be reduced to 45 mph.

The reduced speed limit is scheduled to take effect on Aug. 31, 2007, with the posting of new signs. The new speed limit in both directions will be 45 mph.

Speed continues to be a contributing factor in a high percentage of crashes in Hoffman Estates and throughout Illinois. We urge motorists to obey the speed limit and drive safely.
