Press Release

Holiday tree lighting celebrates friendship

Join us for our annual Village holiday tree lighting on Saturday, Nov. 17, at 4:30 p.m. at the Village Hall, 1900 Hassell Road. Mayor McLeod and Boy Scouts will do the honor of lighting the tree.

This is the first year with our permanent holiday tree outside the Village Hall main entrance. We will be lighting the same, living tree every year from now on.

Santa will be escorted to the event by Hoffman Estates' bravest, and will arrive on a fire truck. Children will be able to visit with Santa, and get an up-close look at the apparatus.

Entertainment will be by the Noteables, a local singing group, and a fireworks display. This year's fireworks are sponsored by the Alexian Brothers Hospital Network. Light refreshments will be served.

Our official 2007 Village ornament will be available for purchase for \$5 each. Previous years' ornaments (excluding 2002) will also be available. Start your collection today!

A donation of canned goods or personal toiletry items would be appreciated to replenish area Township food pantries. Donations will be accepted at the Village Hall until Dec. 8.
