

# Hoffman Estates Press Release

## **Children's Clinic location change**

The Department of Health and Human Services offers a monthly Children's Immunization Clinic for children of all communities from age two months to 18 years. The location of the clinic for April and May will be held at a different location, however, because of the remodeling of the Village Hall building.

The clinics on Monday, April 7, and Monday, May 5, will be held in the senior center at the Hoffman Estates Park District Community Center & Ice Arena, 1685 W. Higgins Road in Hoffman Estates. The time is still from 3:30 p.m. to 6 p.m. Clients should use the parking lot in the front and enter through the doors facing Higgins Road. The clinic will be in the room on the left.

The cost is \$5 per shot for residents of the Village of Hoffman Estates, Village of Schaumburg and Hanover Township; \$7 for all other communities (cash, check or AllKids only please!). The clinics are intended for children who are underinsured (health insurance does not cover immunizations) or do not have health insurance. Shot records are required for children to receive an immunization.
