Press Release

Destination: Versailles

Have you ever wondered how lavishly the “other half” lived in 17th century France? Or how many rooms and gardens one palace can possibly have? If so, come and enjoy the remarkable experience that is the Palace of Versailles.

On Saturday, May 3, the Arts, Celebrations and Sister Cities Commissions invite you to join them in experiencing the wonder and beauty of the Palace of Versailles.

The Versailles program will be presented by Kathleen Murphy Skolnik, who holds a Master of Art degree in art history from the University of Illinois at Chicago (UIC). She is a member of the adjunct faculty in the Department of Art History at Roosevelt University in Chicago, and is a past contributor to the Chicago Architects Oral History Project of the Architecture Department at the Art Institute of Chicago. She has also written articles for the Chicago Art Deco Society Magazine. Currently, she is collaborating with Dr. Robert Bruegmann of UIC on a book about the architecture of the late Chicago architect Harry Weese.

The program will be held from 1 p.m. to 3 p.m. in room 105 at the Hoffman Estates Park District Community Center & Ice Arena, 1685 W. Higgins Road. The program is open to the community. Light refreshments will be served. Call 847-781-2606 for more information.
