

THE VILLAGE OF HOFFMAN ESTATES 2026 STREET REVITALIZATION PROJECT APRON INFORMATION

As part of the 2026 Street Revitalization Project, the Village of Hoffman Estates may be removing only part of the apron, which is located from the street to the public sidewalk. If you wish to have the remainder of your apron removed and replaced at the same time, please contact Raul Hernandez:

**A Lamp Concrete Contractors
1900 Wright Blvd.
Schaumburg, IL 60193
Raul Hernandez (847) 354-3813**

A Lamp Concrete Contractors will come out to your home, measure the apron and give you a free estimate of the cost. The cost of a full 6-inch thick concrete apron with fiber mesh is \$16.50 per square foot.

It is requested that only serious homeowners call for a quote. Payment should be made in the form of a cashier or certified check, and (with no exceptions) prior to construction of your street. No personal checks will be accepted. A receipt will be given upon request.

Please note that parkway restoration (topsoil, sod, seeding) will be completed by the Village.

**PLEASE KEEP THIS IMPORTANT INFORMATION FOR FUTURE
REFERENCE.**
