RxSaveCard

How To Complete Your BMI Verification

Complete BMI verification to unlock your RxSaveCard details for your weight loss medication funds.

What Qualifies?

- ✔ ***BMI of 30 or Higher***

  -or-

- ✔ ***BMI of 27 or higher with a qualifying condition:*** *high blood pressure, high cholesterol, sleep apnea, or heart disease*

How to Get Started

Step 1: Get Documentation from Your Doctor

Request documentation from your healthcare provider, or check if you have a recent report from your last doctor's visit (within the last 30 days) that includes **your BMI, name, date, and provider's signature.**

Step 2: Upload to Your RxSaveCard Dashboard

Log in to your member dashboard, locate the "GLP-1s for Weight Loss" program section, and click "Upload Documentation" to follow the form instructions.

Step 3: Wait for Confirmation to Access Funds

You'll receive notification of approval within 2 business days, or an email stating that more info is needed. Once approved, your card unlocks immediately - if additional info is needed, you can log back in at any time to resubmit.

Your Documentation Must Include:

- **Your name** or identifying information
- **A date** within the last 30 days
- **Your BMI** (and qualifying condition if applicable)
- **Healthcare Provider's signature** or stamp

Examples of documents that may contain these items: Doctor's visit summary, health screening report, physical exam results, lab results containing BMI, personal note from doctor confirming details above

Have Questions?

We're here to support you every step of the way. If you have any questions, contact RxSaveCard using the information provided.
