HOFFMAN ESTATES

DEPARTMENT OF PUBLIC WORKS

Prospective Bidder,

The Village of Hoffman Estates is now soliciting bids for the upgrade of the Video Production Systems at the NOW Arena located at 5333 Prairie Stone Pkwy, Hoffman Estates, IL 60192. On behalf of our residents, I appreciate your interest in participating in the bid process. I call your special attention to the Instructions to Bidders section of the attached bid documents. Please be sure that you read thoroughly and fully understand these instructions prior to the preparation of your bid. Note that instructions call for no deviation from the bid specifications except for those deviations which are listed as such on the vendor's bid detail sheet, and which are expressly approved as part of the Village's acceptance of the bid.

All of the equipment described in the bid notice and specified herewith must meet the performance required for heavy duty municipal, utility, or construction type usage. Unless denoted "No Substitution", the Village minimum required specifications may be exceeded. This is an attempt to ensure the non-exclusion of any manufacturer's product from the bid effort. Remember, however, to list all deviations and provide a description of the upgraded item in the proper space provided. Minimum specification requirements must be met or exceeded.

Please note the following:

- a) A Cashier's/Certified Check or Bid Bond in the amount of 10% of proposed cost is required.
- b) A performance bond is required from the successful bidder using the performance bond template in this document. (See special provisions)

The Village reserves the right to reject and/or award any and all bids or parts thereof and to waive formalities and technicalities according to the best interests of the Village.

If you have any questions with regards to these bid documents, please contact William Lynch, Superintendent of Facilities and Arena Maintenance, William.Lynch@vohe.org or 847.490.6800.

Sincerely,

Bryan Ackerlund
Assistant Director of Public Works

PERFORMANCE SURETY BOND FORM

BOND NO.	DATE BOND EXECUTED:
PRINCIPAL:	BOND AMOUNT: (written out & numerically)
CO-PRINCIPAL(S):	CONTRACT DOCUMENTS:
SURETY(IES):	PROJECT:

KNOW ALL MEN BY THESE PRESENTS, that we, the Principal(s) and Surety(ies) hereto, recite and declare that:

1. We are held and firmly bound to the obligee Village of Hoffman Estates, Illinois (hereinafter called "Village"), in the sum written above in lawful money of the United States of America, to be paid to the Village, its successors or assigns, for the payment whereof Principal(s), Co-Principals and Surety(ies) bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, firmly by this Bond.

2. The condition of this Bond is that if the Principal shall in every respect perform all of its obligations under the Contract Documents identified above, which Contract Documents are incorporated herein by reference, then this Bond shall be void; otherwise, the Bond shall4. continuously remain in full force and effect until released by the Village. Contract Documents shall also include any contracts, annexation agreements, development agreements, plats, zoning approvals, engineering plans, site plans or other Village documents associated with the Project, including any laws, ordinances or governmental regulations related to the Project.

3. Surety waives all of its surety defenses including, but not limited to, the following:

a) It shall be the duty of the Principal to notify the Surety of any revision of the plans, profiles and specifications referred to in the Contract Documents. The Surety expressly waives any right to receive notice from the obligee or to review or approve any revisions to the plans, profiles and specifications referred to in the Contract Documents which are required to meet governmental standards. No such revisions of any kind in the work shall in any way affect the obligation of the Surety under this Bond;

b) The addition or reduction in subdivision lots or area to those shown in the original plat of subdivision, site plan or construction plan referred to in the Development Document shall in no way affect the obligation of the Surety under this Bond;

c) Any extension of time beyond the period provided for in the Development Document for completion of its obligations under the Agreement shall in no way affect the obligation of the Surety under this Bond;

d) The failure or refusal of Village to take any action, proceeding, or steps to enforce any remedy or exercise any right under the Development Document, or that taking of any action, proceeding, or step by Village, acting in good faith upon the belief that same is permitted by the provisions of the Contract Documents, shall not in any way release

Principal or Surety, or either of them, or their respective executors, administrators, successors, or assigns, from liability under this Bond. Surety hereby waives notice of any amendment, indulgence made, granted or permitted;

e) The Principal, Co-Principal and Surety intend that each provision of this Bond be valid and binding upon them and expressly agree to abide thereby;

f) In the event of a default of this Bond, the Village may terminate whatever rights Principal, Co-Principal and/or Surety may have to perform further work on the Project.

g) The requirement of any other entity to perform any obligations contained in the Contract Documents shall in no way affect the obligations of the Surety under this Bond.

Default:

A default shall be deemed to have occurred on the part of the Principal if Principal shall fail to complete its obligations under the Contract Documents within the time set forth therein or any extensions thereof; or, prior to the expiration of such period, if in the sole judgment of the Village, the Principal has:

1) abandoned the performance of its obligations under the Contract Documents; or

2) renounced or repudiated its obligations under the Contract Documents; or

3) clearly demonstrated through insolvency, or otherwise, that its obligations under the Contract Documents cannot be completed within the time allotted under the Contract Documents.

b) If the Principal defaults in the performance of all or any part of the obligations specified in the Contract Documents, the Village shall give written notice of the default to the Surety, with a copy to the Principal and Co-Principal, if any. In the event of such default and notice, Surety shall, within 45 days of receipt of the default notice, give written notice to the Village stating whether Surety will assume the Development Document obligations and the obligations of the Principal, and should it elect to assume said obligations, Surety shall be required to complete the obligations specified in the Contract Documents according to its terms and provisions within 180 days of said notice, but not before expiration of the period provided for under the Contract Documents and approved extensions thereof. In the event that Surety elects to assume the obligations of Principal as provided herein and thereafter fails to faithfully perform all or any part of the work, or should it unnecessarily delay all or any part of the work, then the Village may proceed as provided in Paragraph No. 5 of this Bond.

5. Should Surety following notice of default

notify the Village that Surety elects not to assume the obligations of Principal under the Contract Documents, or fails within 45 days of receipt of the default notice as provided in Paragraph No. 4b) above to notify the Village whether Surety elects to assume the obligations of Principal under the Contract Documents, or having elected to assume the obligations of Principal, should it then fail to perform, then in any event the Village may elect any of the following procedures or any combination thereof:

a) Terminate whatever rights the Principal, Co-Principal and/or Surety may have to perform further work on the Project;

b) Take over or relet all or any part of the work under the Contract Documents which is not completed and complete the same for the account and at the expense of the Principal and Surety, who shall be jointly and severally liable to Village for the costs incurred in completion of the obligations under the Contract Documents and/or correction thereof. Such costs as identified in the Contract Documents shall include, but not be limited to, construction, engineering, surveying, maintenance, donations, impact fees, deterioration, administration, supervision, reasonable attorney's fees, and any costs associated or related to any litigation of the Bond agreement and shall be adjusted for inflation. The amount of Village's actual costs for completion and/or correction of the work required under the Contract Documents shall be conclusive of the extent of the liability of Principal and Surety and may exceed the Bond Amount;

c) Require the Surety to pay the Bond Amount to the Village as liquidated damages.

6. Should Surety, following notice of default notify the Village within 45 days of the receipt of the default notice choose to pay the Village for completion of the obligation under the Contract Documents, the Surety shall have the right to demand that the Village state a sum constituting the estimated costs at that time, of completion and/or correction of the work required under the Contract Documents, such as costs as defined in Paragraph No. 5b). Surety shall then immediately pay over to the Village the sum so stated and be released from any further obligations under this Bond. If funds are paid over under this section and the paid over funds are not sufficient to complete the work, the Village's sole remedy shall be to proceed against the Principal(s) and Co-Principals for any deficiency. If there are any paid over funds not necessary for completion of the work, the Village will return the excess to Surety after completion of the work.

7. If any action or proceeding is initiated in connection with this Bond and any and all obligations arising hereunder the venue thereof shall be in State Court in the County of Cook, State of Illinois, it is further understood and agreed that this contract shall be governed by the laws of the State of Illinois, both as to interpretation and performance.

8. All notices sent to the Principal(s), Co-Principals, and Surety(ies) shall be sent to the address set forth on the signature page unless said Principal(s), Co-Principal(s) and Surety(ies) notify the Village in writing of any change. If the addresses of any of the Principal(s), Co-Principal(s) and Surety(ies) change, the Principal(s), Co-Principal(s) or Surety(ies) shall immediately notify the Village in writing of such change. Failure to notify the Village of any change in address is deemed to be a waiver of any requirement for notice under this Bond to the Principal(s), Co-Principal(s) or Surety(ies). All written notices to the Village required under the Bond shall be sent certified mail to the Village Clerk.

9. If any one or more of the provisions of this Bond are determined to be illegal or unenforceable by a court of competent jurisdiction, all other provisions shall remain effective.

10. No party other than the Village shall have any rights under this Bond as against the Surety.

11. As part of the obligation secured hereby and in addition the Bond Amount specified herein, there shall be included costs, interest and reasonable expenses and fees (including, without limitation, attorneys' fees and costs), incurred by the Village in enforcing this agreement, to be awarded by the court.

12. Nonpayment of the premiums associated with this Bond will not invalidate this Bond nor shall Village be obligated for the payment thereof. Surety agrees to deliver written notice of non-payment under this Bond or other actions to the Village.

13. Surety waives its right to trial by jury.

VILLAGE OF HOFFMAN ESTATES INSTRUCTIONS TO BIDDERS

The general rules and conditions which follow apply to all bids requested and accepted by the Village of Hoffman Estates unless otherwise specified. Bidders are expected to fully inform themselves as to the conditions, requirements, and specifications prior to submitting bids. Failure to do so will be at the bidder's own risk. By submitting a bid, it is assumed by the Village that the vendor has familiarized themselves with all conditions and intends to comply with them unless otherwise noted.

FORMS

All bids must be submitted on the forms provided, complete and intact, properly signed in ink in the appropriate spaces, and submitted in a sealed envelope. All bids must be delivered to the Village Clerk, 1900 Hassell Road, Hoffman Estates, IL. 60169 prior to the bid opening date and time published on the cover of this bid packet. Bidders should reference the Notice to Bid for instructions on preparing their bid proposal.

ALTERNATE/MULTIPLE BIDS

The specifications contained within this bid packet are not intended to eliminate or exclude any bidder due to minor deviations, alternates, or changes. Bidders that desire to deviate from these specifications in their proposal are permitted to submit alternate/multiple bids. However, alternate bids must be clearly indicated as such with deviations from the applicable specifications clearly noted. The bid must be accompanied by complete specifications for the items offered. Any questions regarding the specifications, drawings, etc. shall be referred to that individual so referenced in the Specifications section. Vendors wishing to submit a secondary bid must do so as an alternate bid. Only one bid will be accepted per envelope.

The Village shall be the sole and final judge unequivocally as to whether any substitute is of sufficient quality. This decision is final and will not be subject to recourse by any person, firm, or corporation.

RECEIVING OF BIDS

Bids received prior to the time of opening will be securely kept unopened. The Village Clerk, whose duty it is to open them, will decide when the specified time has arrived. No bid received thereafter will be considered. No responsibility will be assumed by the Village or the Village Clerk for premature or non-opening of bids not properly addressed and identified, except otherwise provided by law.

LATE BIDS

Bids arriving after the specified time, whether sent by mail, courier, or in person, will not be accepted. These bids will either be refused or returned unopened. It is the Bidder's responsibility for timely delivery of bid proposals. Mailed bids which are delivered after the specified time will not be accepted regardless of post marked time on the envelope.

BIDS BY FAX

Bids transmitted by fax will not be accepted, nor will the Village transmit bid documents to prospective bidders by way of fax machine.

ERROR IN BIDS

When an error is made in extending total prices, the unit bid price will govern. Otherwise, the Bidder will not be relieved from errors in bid preparation. Erasures in bids must be explained over signature of Bidder.

WITHDRAWAL OF BIDS

A written request for the withdrawal of a bid, or any part thereof, may be granted if the request is received by the Village Clerk prior to the specified time of opening. After opening, the Bidder cannot withdraw or cancel their bid for a period of sixty (60) calendar days or such longer time as stated in the bid documents.

CONSIDERATION OF BIDS

No bid will be accepted from, or contract awarded to, any person, firm, or corporation that is in arrears or default to the Village upon any debt or contract, or that is a defaulter upon any obligation to the Village, or had failed to perform faithfully any previous contract with the Village. If requested, the Bidder shall present, within 48 hours, evidence satisfactory to the Village of performance ability and possession of necessary facilities, pecuniary resources, and adequate insurance to comply with the terms of these specifications and contract documents.

PRICES

Unit prices shall be shown for each unit on which there is a bid and shall include all equipment, fuel charges, packing, crating, freight, and shipping/unloading charges unless otherwise stated in this bid packet. Unit prices shall not include any local, state, or federal taxes. The Village is exempt, by law, from paying State and Village Retailer's Occupation Tax, State Service Occupation Tax, and Federal Excise Tax. The Village will supply the successful bidder with the current tax exempt number.

Cash discounts will not be considered in determining contract price but may be used in the overall evaluation of bids.

AWARD OR REJECTION OF BIDS

The Village reserves the right to award and/or reject any and all bids, or parts thereof, and to waive formalities and technicalities in the best interest of the Village. Any bid submitted will be binding for sixty (60) days subsequent to the date of the bid opening.

Bidders shall make all investigations necessary to thoroughly inform themselves regarding the supplies and/or services to be furnished in accordance with this bid. No plea of ignorance by the Bidder of conditions that exist or that may hereafter exist as a result of the Bidder's failure to make the necessary examinations and investigations will be accepted as a basis for varying the requirements of the Village of the compensation to the Bidder. **Any exceptions not taken by the Bidder shall be assumed by the Village to be included.**

A contract will be awarded to the lowest responsible bidder complying with the conditions of the contract documents only when it is in the best interest of the Village to accept such a bid. The Village shall be the sole judge of compliance with the specifications and reserves the right to accept or reject any and/or all bids or parts thereof.

PAYMENT

Payment will be made within thirty (30) days after acceptance of the equipment or services by the Village representative and Bidder's compliance with all stipulations relating to the bid/contract.

REQUIREMENTS OF BIDDER

The successful bidder shall, within ten (10) days after notification of award: enter into a contract, in writing, with the Village covering all matters as are set forth in the specifications of this bid; and carry insurance acceptable to the Village covering public liability, property damage, and workmen's compensation.

COMPLIANCE WITH ALL LAWS

All work under contract must be executed in accordance with all applicable local, state, and federal laws, ordinances, rules, and regulations.

CONTRACT ALTERATIONS

No amendment of a contract shall be valid unless made in writing and signed by the Village Manager or their authorized designee.

NOTICES

All notices required by the contractor shall be given in writing.

NON-ASSIGNABILITY

The contractor shall not assign the contract, or any part thereof, to any other person, firm, or corporation without the previous written consent of the Village Manager or their authorized designee. Such assignment shall not relieve the contractor from their obligations or change the terms of the contract.

INDEMNITY

The contractor shall indemnify and save harmless the Village, its officers, and its employees from any and all liability, losses, or damages, including attorney's fees and costs of defense, the Village may suffer as a result of claims, demands, suits, actions, or proceedings of any kind of nature, including workers' compensation claims, in any way resulting from or arising out of the operations of the contractor under this contract, including operations of subcontractors; and the contractor shall, at their own expense, appear, defend, and pay all fees of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith; and, if any judgements shall be rendered against the Village in any such action, the contractor shall, at their own expense, satisfy and discharge same. The contractor expressly understands and agrees that any performance bond or insurance protection required by the contract, or otherwise provided by the contractor, shall in no way limit the responsibility to indemnify, keep and save harmless, and defend the Village as herein provided.

EQUAL EMPLOYMENT OPPORTUNITY

During the performance of the contract and/or supplying of materials, equipment, and supplies, the Bidder must be in full compliance with all provisions of the Acts of the General Assembly of the State of Illinois relating to employment, including equal opportunity requirements.

REQUIRED INSURANCE

In submission of a bid, the Bidder is certifying that they have all insurance coverages required by law or would normally be expected for Bidder's type of business. In addition, the Bidder is certifying that they have at least the following insurance coverage:

<u>Type of Insurance</u>	<u>Occurrence</u>	<u>Aggregate</u>
GENERAL LIABILITY		
Bodily Injury	\$1,000,000	\$3,000,000

Contractual Insurance – Broad Form	\$1,000,000	\$3,000,000

AUTOMOBILE LIABILITY

Bodily Injury	\$1,000,000	\$1,000,000
Property Damage	\$1,000,000	\$1,000,000

This insurance must include non-owned, hired, or rented vehicles, as well as owned vehicles.

WORKMEN'S COMPENSATION AND OCCUPATIONAL DISEASES

Statutory for Illinois

Employer's Liability Coverage	\$1,000,000 per accident
-------------------------------	--------------------------

NOTE: the specifications may require higher limits or additional types of insurance coverages than shown above. The contractor will be required to furnish a certificate proof of insurance coverages.

The Bidder further agrees to indemnify the Village and save it harmless against and from all loss, damage, expense, liability, or claim of liability arising out of the performance of the contractor, any subcontractors, or their employees in connection with the contract. Contracts and subcontractors are to grant the Village an "additionally insured" status on all applicable insurance policies and provide the Village with original endorsements affecting coverage required by this clause. Said policies will not be canceled unless the Village is provided a thirty (30) day written notice. Any deductibles or self-insured retentions as respects the Village or the Contractor shall procure a bond guaranteeing payment of losses and related investigation, claim administration, and defense expenses. Nothing contained in the insurance requirement shall be construed as limiting the extent of the contractor's responsibilities for payment of damages resulting from operations under this agreement.

BID PERFORMANCE DEPOSIT

When it is required, it will be so stated elsewhere within this bid package along with the amount required. In all cases where a deposit is required, it must accompany the bid. The deposit is to be in the form of a bid bond or certified/cashier's check. All bid performance deposit checks will be retained by the Village until the bid award is made, at which time the checks will be promptly returned to the unsuccessful bidders. The bid performance deposit check of the successful bidder will be retained until the goods or services have been received or completed/installed and found to be in compliance with the specification or until surety bonding requirements have been satisfied and proof of insurance coverage is provided in accordance with the Special Provisions section of these specifications.

ACCEPTANCE

After acceptance and award of the bid, and upon receipt of a written purchase order executed by the proper officials of the Village, this instruction to bidders, and all other portions of the bid documents, including specifications, will constitute part of the legal contract between the Village of Hoffman Estates and the successful bidder.

HIRING OF ILLINOIS WORKERS

The Illinois Department of Labor provided notice that due to the high unemployment rate caused by the ongoing COVID-19 pandemic, the Employment of Illinois Workers on Public Works Act, 30 ILCS570/3, will take effect beginning July 1, 2020. The state law requires the workforce on all public works projects to be comprised of a minimum of 90% Illinois residents.

If Illinois' rate of unemployment falls below 5%, this statute will no longer be in effect.

(30 ILCS 570/3) (from Ch. 48, par. 2203)

Sec. 3. Employment of Illinois laborers. Whenever there is a period of excessive unemployment in Illinois, if a person or entity is charged with the duty, either by law or contract, of (1) constructing or building any public works, as defined in this Act, or (2) the clean-up and on-site disposal of hazardous waste for the State of Illinois or any political subdivision of the State, and that clean-up or on-site disposal is funded or financed in whole or in part with State funds or funds administered by the State of Illinois, then that person or entity shall employ at least 90% Illinois laborers on such project. Any public works project financed in whole or in part by federal funds administered by the State of Illinois is covered under the provisions of this Act, to the extent permitted by any applicable federal law or regulation. Every public works contract let by any such person shall contain a provision requiring that such labor be used: Provided, that other laborers may be used when Illinois laborers as defined in this Act are not available, or are incapable of performing the particular type of work involved, if so certified by the contractor and approved by the contracting officer. ILLINOIS WORKS JOBS PROGRAM ACT APPRENTICESHIP INITIATIVE

Pursuant to the Illinois Works Jobs Program Act, 30 ILCS 559/20-1 et seq., for public works projects estimated to cost \$500,000 or more, the goal of the Illinois Works Apprenticeship Initiative is that apprentices will perform either 10% of the total hours worked in each prevailing wage classification or 10% of the estimated labor hours in each prevailing wage classification, whichever is less.

For projects with an estimated total project cost of \$500,000 or more and for which 50% or more of the project is being funded by appropriated capital funds, the 10% apprenticeship goal applies to all prevailing wage eligible work on the project. For projects receiving \$500,000 or more of appropriated capital funds but for which the appropriated capital funds are less than half of the total project costs, the 10% apprenticeship goal only applies to prevailing wage eligible work being funded by the appropriated capital funds. The 10% apprenticeship goal does not apply to projects with an estimated total project cost of less

than \$500,000 or to projects with an estimated total project cost of \$500,000 or more but for which the appropriated capital funds for the project are both less than \$500,000 and less than 50% of the estimated total project costs.

BIDDER QUALIFICATIONS

All bidders must submit the following information on or before the time at which the proposal is required to be submitted:

- a. The location and description of the Bidder's permanent place of business.
- b. Evidence of ability to provide an efficient and adequate plan for executing the work.
- c. A list of similar projects carried out by the Bidder.
- d. A list of projects the Bidder presently has under contract.
- e. Any additional evidence tending to show that the Bidder is adequately prepared to fulfill the contract.

BID CERTIFICATION FORM

All bid submittals must include a signed Bid Certification Form (copy included within this document) certifying that Bidder is in compliance with Section 33E-3 or 33E-4 of the Illinois Criminal Code of 1961 regarding bid rigging/rotating.

Illinois State Law Article 33E-3 and 33E-4 states that it is unlawful to participate in bid rigging and/or rotating. State law further states that it is unlawful to award a contract to any individual or entity that is delinquent in the payment of any tax administered by the Department of Revenue unless the individual or entity is contesting the amount and/or liability through proper procedures. Therefore, all bidders must certify that they are not barred from bidding on the contract as a result of a violation of State Law 33E-3 and 33E-4, prohibiting bid rigging and/or rotation, and that the bidder is not delinquent in the payment of any tax, unless it is contests in accordance with the procedures established by the appropriate revenue act. It is necessary that this be done under oath; therefore, **the form included with bid submittals must be notarized.**

DEVIATIONS

Unless denoted "no substitution", the Village's minimum required specifications may be exceeded. However, **vendors must list all specification deviations and provide a description and/or catalog sheet that fully describes that which they propose to furnish in lieu of the specification.** Final bid acceptance shall be based upon that bid deemed most favorable to the interests of the Village after all bids have been examined and canvassed.

INFORMATION MAINTAINED BY THE LEGISLATIVE REFERENCE BUREAU

Updating the database of the Illinois Compiled Statutes (ILCS) is an ongoing process. Recent laws may not yet be included in the ILCS database, but they are found on this site as Public Acts soon after they become law.

For information concerning the relationship between statutes and Public Acts, refer to the Guide.

Because the statute database is maintained primarily for legislative drafting purposes, statutory changes are sometimes included in the statute database before they take effect. If the source note at the end of a Section of the statutes includes a Public Act that has not yet taken effect, the version of the law that is currently in

effect may have already been removed from the database and you should refer to that Public Act to see the changes made to the current law.
